WILLOW CLASS

Willow Class have been loving reading this week's story 'Aliens love Underpants'. We've been designing our own pants, retelling the story and making our own aliens out of playdough.

CHERRY CLASS

This week Cherry class has been to the fire station. We were really excited to harvest our pumpkins but they were not ready, instead we harvested leeks and spring onions. Tommy had a surprise for us! We used the hose from the fire engine to wash a car, it was great fun!

LARCH CLASS

We have been taking part in some painting this week-we have managed to stay somewhat clean! We have been learning many different methods and techniques in painting and have created some still life paintings of objects in our class.

OAK CLASS

This week, we have continued with carrying out a practical investigation within our science lesson to explore how soaking gummy sweets in different liquids will affect the size of the sweets.!
