## Health and Safety Policy Statement

Westfield Primary School is committed to providing a safe and healthy environment for the school community. The school will ensure that:

- ❑ all legal requirements are met under both health and safety and fire legislation
- ❑ All advice and guidance provided by the LA in relation to health, safety and welfare is implemented or that systems equally or if not more effective are in place.
- ❑ The school is proactive in identifying hazards and managing risks relating to the pupils, employees, parents, contractors, members of the public, premises, equipment and both curriculum and extra-curriculum activities.

To establish a robust system for managing health, safety and welfare in school, the following responsibilities will have been allocated:

Please note: In schools, the employer is ultimately responsible for health, safety and welfare.

In community and voluntary-controlled schools, the employer is the Local Authority. In voluntary aided and foundation schools, academies and independent schools the Governing Body/Trustees is the employer.

### **Governors**

- The Governing Body will ensure that the school implements a health and safety management system based upon the advice and guidance provided by the LA or a competent<sup>1</sup> health and safety practitioner.
- In their decision-making capacity, governors will show due diligence by ensuring that where significant health and safety concerns arise, appropriate resources (human, financial, time) will be made available.

---

<sup>1</sup> "competent" requires Corporate Membership of the Institute of Occupational Safety and Health (MIOSH)

- The Governing Body will be kept informed of:
  - Adopt Health and Safety policies;
  - Health and safety related advice and guidance provided by the LEA;
  - The findings and actions arising from premises, fire, stress, occupational and curriculum-related risk assessments;
  - Any hazards identified outside of the risk assessment process;
  - Significant accidents and their causes and any actions taken or recommended to prevent future incidents;
  - The findings of the LEA health and safety review and any recommendations translated into a school action plan;
  - Health and safety issues<sup>2</sup> arising from the annual maintenance review carried out by Property Services.

**Head teacher:**

The Head teacher has responsibility for the daily management of health and safety:

- There are relevant Policies meeting the requirements of Health and Safety legislation;
- As required by the Management of Health, Safety and Welfare at Work Regulations, 1999, ensuring that all categories of risk assessment<sup>3</sup> are carried out at recommended intervals;
- Ensuring that any actions arising from risk assessments are put into a time-bound action plan;
- Monitoring the implementation of action plans arising from both risk assessments and the health and safety review process;

---

<sup>2</sup> health and safety issues in the annual maintenance reports are identified by the yellow hazard triangle and require prompt attention

<sup>3</sup> risk assessments are required for: The premises, fire, occupational, stress, educational visits, curriculum activities e.g. Science – refer to Section 2 of Health and Safety Guidance for Schools

- ❑ Delegating clear roles and responsibilities for health and safety functions;
- ❑ Identifying and supporting the provision of relevant health and safety training for school employees;
- ❑ Attending any training for Head teachers that is recommended by the LA;
- ❑ Ensuring that contractors have sight of the school's asbestos register before commencing work;
- ❑ Providing a safe working and learning environment;
- ❑ Ensuring that all activities are carried out safely;
- ❑ Communicating health and safety information;
- ❑ Investigating and recording accidents;
- ❑ Managing fire safety and safe escape routes; and
- ❑ Providing health and safety information to new employees upon induction

### **Local Authority**

The LA is responsible for:

- ❑ Providing model Health and Safety Policies in meeting the requirements of Health and Safety legislation;
- ❑ Providing advice and guidance to support schools in meeting the requirements of Health and Safety legislation;
- ❑ Providing support in the investigation of significant accidents;
- ❑ Ensuring that schools are provided with up to date information on legislative changes;
- ❑ Providing Health and Safety training and where necessary identifying specialist course providers; and
- ❑ Monitoring the implementation of the LA guidance.

## **Heads of Departments**

Departmental Heads are responsible for ensuring that:

- ❑ Activities within their curriculum area are carried out safely;
- ❑ Any significant risks are identified and adequately controlled;
- ❑ Where appropriate, specialist guidance is followed e.g. BAALPE for Physical Education and CLEAPSS for science and design and technology;
- ❑ All staff in the department are aware of safe practices and procedures;
- ❑ Systems are in place for the department to monitor Health and Safety performance;
- ❑ Thorough accident investigations are carried out for all curriculum related accidents; and
- ❑ Accidents are reported according to the requirements of the LA

## **All Employees**

Employees are responsible for:

- ❑ Are responsible for their own health and safety and that of pupils, colleagues and any others who may be affected by their work;
- ❑ Have a duty to report any identified hazards;
- ❑ Should co-operate with the employer by following the Health and Safety Guidance
- ❑ In order to protect their own and the safety of others, take 'immediate corrective action' where any dangerous or harmful situations arise or are identified; and
- ❑ Should be familiar with relevant sections of the Health and Safety Guidance provided by either the LA or the school's "competent advisor"

## **Consultation and Communication**

The Head teacher and governing body will ensure that there is a two-way communication system for all health and safety matters by having health and safety as a standing item on the agenda of staff and departmental meetings. Trade Union representatives and employees are invited to take an active role in the management of health and safety in school.

The governors will also be informed of health and safety issues as required by the LA during the meeting of the full governing body.
